

# SIMKO NORTH AMERICA

We close the gap between North America and The World

## OUR SERVICES

**Worldwide imports and exports** including but not limited to natural rubber, chemicals, yarns, fabrics and any other raw materials from global suppliers to North American plants.

**Problem Solvers** - Let us handle your supply chain pain points. The consistent headaches for your logistics teams! We can consolidate containers, handle difficult packaging, climate, or warehouse requirements, explore alternative shipping opportunities, maintain safety stock, and so much more.

Let us **Close the Gap** with the suppliers who can't provide DDP deliveries to your facilities.

**Risk Management** - We communicate potential threats **before** they happen, and keep our partners up to date with industry trends. Ask to join our biweekly Newsletter!

**Sourcing Assistance** - With geopolitics adding chaos into markets, we can help you find alternative sources for materials, separate producers and origins.
